

CREATION SCIENCE SUNDAY

An exciting day of science and scripture.
Have a blast hearing God's truth!

July 17th
FEATURING:

KARL PRIEST - TENO GROPPi - JOHN PENDLETON

KARL PRIEST: Recently retired educator of over 33 years (including four as a principal). The last five years, as a public school mathematics teacher, he taught a lesson that is devastating to Darwinism and provided students with facts that point toward Intelligent Design. Also an avid amateur entomologist.

TENO GROPPi: Wyldewood Baptist Church, Genesis Evidence Ministries - Rock Solid evidence confirming the truth of the Bible, particularly Genesis. Has been in local media (TV and newspapers) defending Genesis.

JOHN PENDLETON: Holds B.S. in chemistry from UW-Madison. Creation Evangelist to Mexico. Unique debate method - charges attendees nominal fee to give them financial interest in outcome. Allows crowd to use tickets to vote for winner - winner gets the proceeds. Has given creation messages in 12 different countries.
